

TERMS & CONDITIONS

GreatBless Global Markets Ltd.

1. INTRODUCTION

These Terms & Conditions ("Terms") govern your access to and use of the services provided by GreatBless Global Markets Ltd. ("Company", "we", "us", "our") and apply to any individual or entity ("Client", "you", "your") using our services.

By accessing our website, platform, or services, you agree to comply with these Terms.

2. RELATION TO CLIENT AGREEMENT

These Terms form part of the Company Policies referred to in the Client Agreement and should be read together with it and with the Company's Risk Disclosure, Order Execution Policy, AML/KYC Policy, and Privacy Policy, each as published on the Company's website.

Terms defined in the Client Agreement have the same meaning in these Terms unless stated otherwise, whether or not capitalised.

These Terms are a summary. Where a matter is dealt with in more detail in the Client Agreement or in another Company Policy, that document sets out the full position. If there is any conflict between these Terms and the Client Agreement, the Client Agreement prevails.

3. ELIGIBILITY

By using our services, you confirm that:

- You are at least 18 years old
- You have legal capacity
- You are not a resident or citizen of, and are not located in, a Restricted Jurisdiction
- You will notify the Company promptly if your country of residence changes

Restricted Jurisdictions are the United States of America, Cuba, Canada, Iraq, Iran, Myanmar, North Korea, Sudan, Syria and the United Arab Emirates, together with any other jurisdiction where the distribution or use of the Company's services would be contrary to local law or regulation, or which is subject to an applicable sanctions measure. The current list is published on the Company's website.

The Company may refuse to open an Account, or may close an existing Account, where you are or become resident in, or located in, a Restricted Jurisdiction.

4. SERVICES

The Company provides:

- Online trading platform
- CFD instruments (Forex, Commodities, Indices, Crypto, Metals)

All services are provided on an "as is" basis, to the extent permitted by Applicable Law and subject to section 13.

5. ACCOUNT USAGE

You agree to:

- Keep your login credentials confidential and not share them with, or permit their use by, any other person
- Provide accurate information
- Complete verification (KYC if required)
- Maintain account security

You are responsible for all activity carried out under your Account using your credentials, except to the extent that activity results from the Company's own fraud, wilful default, or gross negligence. You must notify the Company immediately if you suspect unauthorised access to your Account.

6. TRADING CONDITIONS (SUMMARY)

Trading is conducted electronically and subject to market conditions.

You acknowledge that:

- Prices are not guaranteed
- Slippage may occur
- Spreads may vary
- Execution delays may happen
- Stop Loss / Take Profit may not execute at requested price

This section is a summary only. The Company's execution arrangements are set out in full in the Order Execution Policy, and the risks of trading are set out in full in the Risk Disclosure.

Where you use the Company's optional risk-control tools, checks that operate before an order is placed apply to orders you submit through the Client Portal (GreatBless's web and mobile client area, as defined in the Client Agreement). Controls that act after a position has been opened apply to every position on your Account, however that position was opened.

7. FEES & CHARGES

Trading may involve:

- Spreads
- Commissions
- Swap / overnight fees

All applicable costs are available on the Client Portal or the Company's website.

8. DEPOSITS & WITHDRAWALS

- Deposits must be from accounts in your name
- Withdrawals may require verification
- Withdrawals must be made to the same payment method and the same account or wallet, in your own name, that you used to deposit, up to the total amount you deposited. Amounts above your total deposits may be withdrawn to another verified method in your name, subject to compliance approval
- The Company may request proof of your source of funds before processing a withdrawal
- Processing times may vary depending on providers
- Chargebacks and fraudulent payment disputes are strictly prohibited and may result in immediate account suspension.

The Company reserves the right to reject or delay transactions if necessary.

9. PROHIBITED USE

You must not:

- Use the platform for illegal purposes
- Exploit system errors or delays
- Use automated trading systems in a manner that places an unreasonable load on the Company's systems, or that is designed to exploit latency, pricing errors, or system delays
- Manipulate market conditions
- Abuse bonus programs or Islamic (Swap-Free) account conditions.

Automated trading, including the use of Expert Advisors, is permitted. This section prohibits abuse, not automation.

Where you trade using a legitimate strategy — including automated, short-term, or high-frequency strategies — the Company will not cancel or withhold the resulting profits on the basis of that strategy alone. Where the Company considers a transaction to be abusive under this section, it will notify you with its reasons, and you may raise a complaint under section 19.

10. RISK WARNING

Trading involves significant risk.

You acknowledge that:

- You may lose all funds
- Leverage increases risk
- Markets are volatile
- No profit is guaranteed

11. NO INVESTMENT ADVICE

Any market commentary, news, research, analyses, or other information provided on our website or platform is provided as general market commentary and does not constitute investment advice. The Company is not liable for any losses arising from reliance on such information.

12. INTELLECTUAL PROPERTY

All content, systems, market data, charting tools, and materials available on the website and platform belong to the Company or its third-party licensors. Users are strictly prohibited from using any part of the content on the website for commercial purposes without first obtaining the necessary explicit license or written consent from the Company. 13. LIMITATION OF LIABILITY

The Company is not liable for:

- Trading losses
- Execution differences
- Technical failures outside the Company's reasonable control
- Market volatility
- Third-party actions

Nothing in these Terms excludes or limits the Company's liability for fraud, fraudulent misrepresentation, wilful default, or gross negligence, or for any liability that cannot lawfully be excluded. This section does not affect your right to raise a complaint under section 19.

14. SERVICE AVAILABILITY

We do not guarantee:

- Continuous access
- Error-free operation

The Company may suspend access to the platform, including for maintenance, or where required by Applicable Law or by a technical or security incident. Where practicable, the Company will give advance notice of any planned suspension.

15. SUSPENSION & TERMINATION

The Company may:

- Restrict or suspend accounts
- Close positions
- Terminate services

The Company will exercise these rights only where it has reasonable grounds to do so — including a breach of these Terms or the Client Agreement, a requirement of Applicable Law, suspected fraud or market abuse, or a risk to the integrity of the Company's systems.

Where practicable, the Company will notify you before taking action and, where that is not practicable, promptly afterwards, together with its reasons. Following suspension or termination you remain entitled to withdraw any remaining balance in your Account, subject to any amounts you owe the Company and to the Company's AML/KYC Policy.

16. AML & KYC COMPLIANCE

The Company may:

- Request identity verification
- Monitor transactions
- Restrict accounts if suspicious activity is detected

Full details are set out in the Company's AML/KYC Policy.

If you continue to use the Company's website, platform, or services after publication, you will be treated as having accepted the amended Terms. If you do not accept them, you may stop using the services, close your Account, and withdraw any remaining balance in accordance with section 15.

18. GOVERNING LAW

These Terms are governed by the laws of Saint Lucia.

The courts of Saint Lucia have exclusive jurisdiction over any dispute arising out of or in connection with these Terms. Before commencing proceedings, you should first raise the matter through the complaints process in section 19.
